## **Appointment of Chief Executive Officer**

Entellect Solution Ltd (Entellect) is pleased to announce the appointment of Mr Joseph (Joe) Younane to the position of Chief Executive Officer. Joe has over 30 years experience, predominantly with start-ups and multinationals.

Joe's vast experience has been gained in a variety of businesses including publicly listed companies, start-ups and multinationals. Joe has a strong record as CEO in successfully commercializing technologies. He has conceived a number of telecommunications and telephony products and built and led companies to those concepts from ideas to export revenue. He has lived and worked in Silicon Valley and traveled extensively. Joe has strong team building skills and relevant experience in high growth organizations, coupled with entrepreneurial flair and financial management skill.

Joe is currently a Director of The Centre for Energy and Greenhouse Technologies, a Victorian State Government initiative which provides investment funds and support services for the development of new sustainable energy and greenhouse gas reduction technologies. He was most recently principal of Technology Venture Resources, a boutique management consulting business, specializing in provision of management services to SMEs, venture capitalists and their investee companies.

Entellect Chairman, Mr Jeff Bennett stated "Joe will bring a unique combination of skills to Entellect in strategy, commercialization of products and international markets along with an intimate knowledge of the Government and Industrial sectors that should have a direct impact on the next phase of Entellect's growth."

Yours Sincerely

Jeff Bennett
