Level 6, 20 Bridge Street
Sydney NSW 2000

Dear Ms Dabski

Please find attached Entellect Solutions Limited announcement regarding outcomes in the March quarter.

Yours sincerely

A handwritten signature in black ink, appearing to read "J. Bennett". The signature is fluid and cursive, with a large initial "J" and "B".

Jeff Bennett
Chairman

Last Quarter Outcomes

Further to previous guidance the Directors of Entellect Solutions are pleased to provide additional information on the business outcomes achieved over the third quarter of this financial year.

In the third quarter a substantial scaling up of our marketing to clients in the higher education and vocational training markets has led to a significant increase in sales in this sector. Sales results for the quarter were in excess of the targets and budgets set and have resulted in a greater number of new customers being added in this period than in the entire twelve months preceding the period. As reported previously ESN is committed to expanding its client base in this sector as it is traditionally underserved and provides a robust recurring income model.

This increase in sales, coupled with the continued better than expected month on month growth in VCI sales into the Publishing and Print sector through its now well established partnerships, will see ESN continue to expand its client base and maintain its sales growth trajectory.

This surge in activity has been accompanied by an increase in workload. Consistent with its commitment to control expenditure without jeopardizing growth, the company has entered into a managed outsourcing agreement with a major development house to assist ESN to deliver quality products on time and below budgets. It is ESN's intention to continue to supplement its in-house staff arrangements with appropriate levels of outsourcing while maintaining core expertise within the company.
