Entellect Solutions appoints United Kingdom Channel Consultant

Following our earlier announcement regarding expansion into the Asian markets with a Singapore based channel partner, Entellect Solutions is pleased to announce the appointment of Winningtons Financial PR Limited in London as a UK based channel partner to assist Entellect Solutions with market entry into the UK and European education markets for our vSTARS™ and eMinerva™ products.

Winningtons Financial PR is an experienced operator in the UK financial markets and the Software sector. With this background Winningtons will conduct a comprehensive research project on the collaborative and distribution options available to Entellect Solutions.

Winningtons has previously successfully undertaken specific marketing tasks for Entellect Solutions in the UK. This new consulting agreement was signed on 20 October 2009.

Tom Cooper, Director at Winningtons, said: *“The education sector is undergoing significant change and commercialisation. The Entellect Solutions software offers educational establishments the opportunity to realise efficiencies that will be transformational in managing their assets.*

“As an innovator in the sector, Entellect Solutions is offering trade partners a rare niche opportunity. We see this as a very attractive opportunity to gain market share in an industry which is being revolutionised by technology.”

Mr Joe Younane CEO of Entellect Solutions stated that this appointment in London was an important next step in Entellect Solutions’ strategy to expand internationally and continue to capitalise on the development of its enterprise products for education, eMinerva™ and vSTARS™. “I am delighted with the appointment of Winningtons and look forward to working with them to expand Entellect Solution’s opportunities in the UK and Europe,” said Younane.

Entellect Solutions Ltd delivers valuable and innovative software-based offerings to meet the expectations and needs of all stakeholders in the education and related markets. ESN currently has 4 mainstream products for client use –

- *eMinerva- a world class Enterprise Student Management System that enables K-12 educators to manage and report against their students’ activities.*
- *vSTARS - a leading edge system which allows all stakeholders to participate in planning, recording and reporting on student academic achievements. It has been designed by Australian educators to encourage best practice in the classroom and foster quality communication between parents, students and educators.*
- *vPublisher- an e-book solution for educators, printers and publishers that allows all groups to quickly and cost effectively deliver solutions to their clients. vPublisher holds unique IP that enables rich content to be embedded into an interactive e-Book.*

entellect solutions

- *eMinerva 4.6 - A single-site Student Management System that enables educators to have a single point of information for student activity in colleges, higher education providers, corporates and vocational training organizations. The solution is compliant with Australian reporting requirements for local and international students.*
