ABN 41 009 221 783**Closing Date of Prospectus Extended**

Entellect Limited (the **Company**) advises that the Closing Date of its non-renounceable Rights Issue Prospectus, due today, will be extended to 5.00 pm (AEST) on 11 July 2011.

The extension is provided to enable Shareholders of previously unmarketable parcels to better understand the opportunity to top-up to a marketable parcel of \$500 or more under the terms of the Offer.

The Company also advises that it will meet ASX's requirement under Listing Rule 12.4 of having at least 300 Shareholders with marketable parcels of \$500 or more, a condition precedent to the re-quotations of its securities on the ASX, in that it has, as of today, at least 300 Shareholders holding, or applications for shareholdings for, marketable parcels of \$500 or more.
